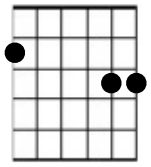
CONTINUE TO LOVE ME

Michelle Patterson

Capo 4

C^



```
                G                          C^
Continue to love me, with that same love
  Em                C
Righteous and unchanging
                G                          C*
Continue to love me, with that same love
  Em                C
Priceless and unfailing

 G                D                 Em
Your love, it reaches to the sky
                   C                        G
Your righteousness, a mountain high
        D           Em         C            G
How priceless, Your unending love
                   D              Em
Both high and low among men
                  C               G
Take cover under Your wings
        D           Em       C         G
How priceless, Your unending love

        D           Em       C         G
How priceless, Your unending love
        D           Em       C         G
How priceless, Your unending love
