

# FEED THE FIRE

By Dwight Beal and John Grooters

G C F C  
**Feed the fire, Lord be my one desire**

G C F Dsus D  
**Fan the flame in my heart**

G C F C  
**Light a spark, lead me on through the dark**  
F Dsus D G C G  
**And feed the fire in my heart**

D C  
**What do I do when my love is growing cold?**

D C D  
**How do I find my way back into your fold?**

Am C D  
**Ignite my love for you like I've never seen**  
Am C Dsus D  
**'Cause you want me hot or cold, nothing in between!**

D C  
**Amidst the cold I feel a warming in my heart**

D C D  
**Got a feeling I could use a brand new start**

Am C D  
**Cooling embers that at one time were aflame**  
Am C Dsus D  
**Ignite anew and now I am not the same**

G C F C  
**Sparks fly, starting something**

G C F Dsus D  
**Flames rise, I am changed**

G C F C  
**Refine, purify me**  
F Dsus D G C G  
**And feed the fire in my heart**
